

Be a hometown hero.

Give blood at the COPS Monitoring
Community Blood Drive on September 28th

Hometown heroes come in all shapes and sizes.

They don't wear capes or special suits; their badge of honor is the bandage that shows they gave the 'gift of life'.

Did you know that someone in the U.S. needs blood every 2 seconds and that a single car accident victim can require as many as 100 units? The need for blood donations is constant and our community needs your help.

If you ever had the desire to give back but didn't think you had the time or know how to get involved, this is the event for you.

You can become a hometown hero by donating about an hour of your time to give a unit of blood.

What?

COPS Monitoring Community Blood Drive

When?

Monday, September 28, 2015 from 1 PM - 6 PM
